25X1X 25X1B

* [REDACTED] Comment. The flying activity [REDACTED] observed indicate that the Trausdorf airfield is still occupied by fighters. Since the summer of 1950 the observations have been restricted to flying activity over the field. The Trausdorf airfield is still believed to be occupied by two fighter regiments, since the occupation of Eisenstadt, where flying personnel and ground units of the Trausdorf units are stationed, has not changed.
